## PROFESSIONAL EXPERIENCE

### Advanced Micro Devices (AMD) - Product Marketing Coordinator

July 2016 – Present

- Communicated Radeon Software's value proposition, messaging and competitive positioning to target customers
- Created PRDs and worked with product management teams to define and deliver product enhancements
- Collaborated closely with internal teams to develop channel marketing programs, demos and launch events
- Conducted marketing surveys to anticipate industry trends and competitive landscape and provided recommendations for product features, channels, customers, and new technologies
- Created marketing content for sales enablement, marketing newsletter and other customer viewable web content

### The University of Western Ontario - Microsoft Licensing Specialist

Jan 2015 – May 2016

- Worked with licensing and CRM software to sell SaaS
- Evaluated the software needs of faculty and businesses to increase efficiency
- Provided products which promoted the integration of accessibility with technology
- Worked directly with sales agents and used various negotiation and sales techniques

### Intercept Group - Marketing Lead and Retail Specialist - Microsoft Technology

Sept 2014 – May 2016

- Managed a cross-functional team to target various markets with targeted individual campaigns
- Stimulated Microsoft product sales by creating and launching promotions for Software as a Service (SaaS) products
- Led social media marketing campaigns on Facebook and Twitter to increase brand awareness and purchase intent
- Conducted market research to gain valuable customer behavior preferences to better serve customers
- Created online advertising and marketing products to initiate a buzz within specific districts
